

Are you a sports team or organization looking to raise funds? If so, Silver Creek can help!

Silver Creek understands operating a team or club in this day and age is a costly venture. Registration fees, travel, jerseys are just some of costs that escalate each and every season. How can we help? Having a golf event or social is a great way to fundraise money that can be put towards the ever growing list of costs. Further, by having an event in the off season here at Silver Creek (spring and fall) we can assist in your fundraising needs by donating some revenue back to the team or club.

How much can you earn by hosting an event at Silver Creek?

Well that will determine simply by the number of participants you have and the time of year. The larger the group, the more Silver Creek will kick back to the team. These events must be scheduled in our 'shoulder' season of April early May and late September until the conclusion of the season.
